ISSN 1804-5650

Journal of Tourism and Services is an international reviewed scientific research journal, published by the University College of Business in Prague since September 17, 2010 that publishes high quality, reviewed essays and analytical papers in English language with focus on tourism and service industry development. Together with scientific part and in order to promote the exchange of current and innovative ideas, the Journal also includes Reviews of Existing Work or Short Essays and Research Notes to address important topics and advance theoretical knowledge or thinking about key areas of tourism and services. The papers are approved by the Editorial Board and are blind peer reviewed by 2 independent reviewers. Each issue will also seek to include shorter non peer reviewed reviews of existing work or short essays aimed at stimulating debate, research notes to allow researchers to present initial findings and reflections or problems concerning fieldwork and research in general. The Journal is intended for international professionals, academics and students not only for reading but also as a space for publication and source of information for work. The Journal is published twice a year.

No part of this journal may be reproduced or transmitted in any form or by any means, electronic or mechanical, including photocopying, recording or by any information storage retrieval system, without permission from authors.

The Journal of Tourism and Services is indexed in Web of Science database - Emerging Sources Citation Index (ESCI). The Journal of Tourism & Services is included on EBSCO database called Hospitality & Tourism Complete, in Global Impact Factor with ranking 0.543, in Google Scholar and is included in Index Copernicus - ICI Journals Master List.

The Journal of Tourism & Services is included to the database of the Research Development and Innovation Council, advisory body to the Government of the Czech Republic called "Seznam recenzovaných neimpaktovaných periodik vydávaných v České republice".
